EDUCATION

Bachelor of Science in
Civil Engineering
Sylhet Engineering College
📅 2017 - 2022

TECHNICAL SKILLS

- JavaScript | ES6
- TypeScript
- Node.js | Express.js
- NoSQL Database (MongoDB, Mongoose)
- PostgreSQL
- Prisma
- Zod
- Yup
- React.js
- Redux
- Next.js
- TailwindCSS
- Bootstrap

SOFT SKILLS

- Quick learner
- Self-motivated
- Good listener
- Adaptability
- Flexibility

LANGUAGE

- Bangla - Excellent
- English - Understanding, reading, and writing
- Hindi – Capable of listening and speaking

CAREER OBJECTIVE

I aspire to refine my programming and development skills, establishing them as lifelong companions. I know a bit about C, JavaScript, TypeScript, React, Next.js, Node.js, and Express.js. I am also in the process of delving deep into core computer science principles such as OOP, Data Structures, Algorithms, and DBMS. If I get the right opportunity and mentorship, I aim to rapidly become a qualified professional in this field.

PROJECTS

Tutor Booking and Management

A tutor booking website where user can see tutors, booking tutor and admin can process the booking.

- User and tutor notification
- Custom authentication
- Multiple admin role and admin dashboard to manage booking
